

CEO's Review

Turnover of Rs 3.5Bn and Profit after tax of Rs 258Mn was achieved by your company in the quarter ended December 2007, reflecting a year on year growth of 26% and 25% respectively. Growth in the Fast Moving Consumer Goods (FMCG) and Healthcare sectors were the main contributors to growth this quarter with bottom line growth of 20% in both sectors. Operating profits for the period was Rs 407Mn with an improvement in the margin from 9% in the last quarter, to 12%. Investment relief resulted in lower taxation liability for the group for the quarter under review boosting bottom line growth.

Growth in quarterly profits in the FMCG sector by 21% year on year to Rs 125Mn on a Turnover of Rs 1.03Bn was achieved due to cost containment and phased price adjustments as indicated in my last review. Our personal care portfolio did well to increase market share during the quarter, although overall industry growth was dampened. The relocation of the manufacturing plant to Dankotuwa is progressing as planned and the new manufacturing facility will be operational from April this year. Emphasis that has been placed on streamlining processes and systems was recognized with Hemas Manufacturing winning 2nd place in the National Productivity Awards.

Turnover in the Healthcare sector grew by 22% to Rs 876Mn on a year-on-year basis. The Southern Hospital is progressing well with positive cash flows within six months of acquisition. The new wing, which is expected to be operational in a few months, will increase the total bed strength to 50 and add two modern operating theatres. The Wattala hospital is nearing completion and with the involvement of our technical partners Columbia Asia, we anticipate setting new standards in patient centric service.

The Leisure sector continued to be hampered by the prevailing situation reporting a loss of Rs 20.7Mn for the

quarter. The opening of Hotel Serendib, Bentota in November resulted in an increase in sector turnover by 42% to Rs 260Mn for the quarter. The long term relationships established with international travel agencies continued to support the hotel and destination management companies. Hemtours' principal 'First Choice Airways' won the Charter Airline category at the inaugural Presidential Awards for Travel & Tourism 2007.

Our Airline GSAs continued to be at the forefront of growth in the Transportation sector which generated a revenue of Rs 147Mn and profits of Rs 27.5Mn for the quarter under review. GSA revenues were boosted with Malaysia Airlines increasing its frequency by an additional flight to 4 flights a week.

The acquisition of a mini hydro project in the Deraniyagala area, in line with our focus on renewable energy was finalized during the quarter. Revenue from Heladhanavi during the quarter was Rs 1.2Bn, up by 53% compared to the corresponding period last year. Profits were affected by the decline in value of the foreign exchange deposit as a result of the depreciation in the US dollar and closed at Rs 43.3 Mn for the quarter.

Whilst the general outlook for business was difficult, it is encouraging to note that the Sri Lankan economy grew by 6.5% in the nine months to September 2007 in the midst of a number of challenges. We are hopeful that the momentum in demand growth will continue into the next quarter and look forward to closing the year on a positive note.
