Enriching Lives

The largest Sri Lankan personal care and FMCG company

Portfolio of trusted, leading brands - competing neck to neck with global giants

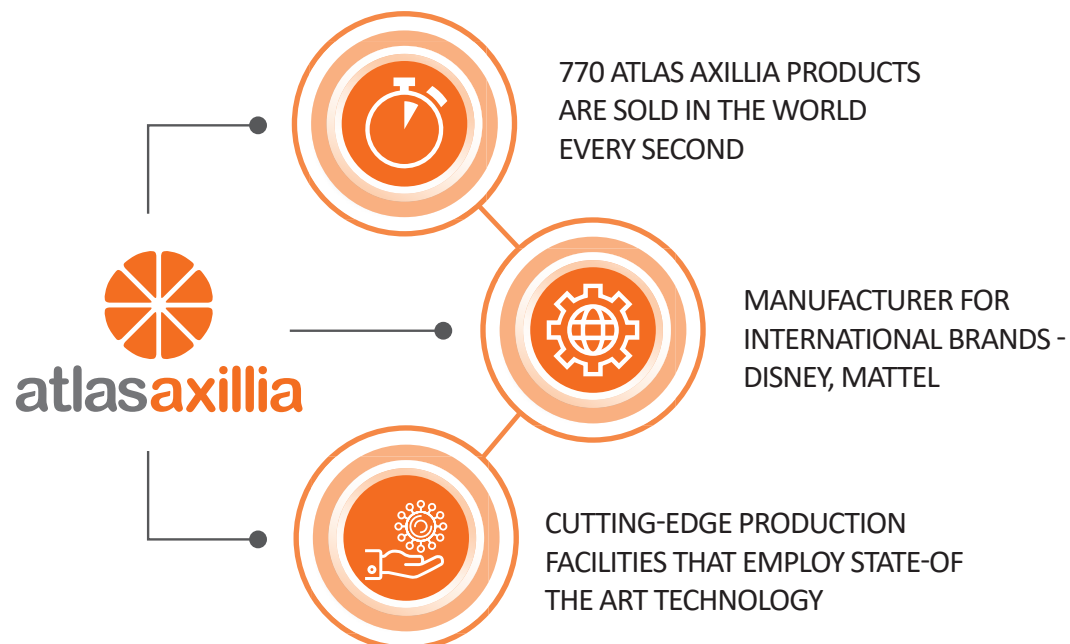

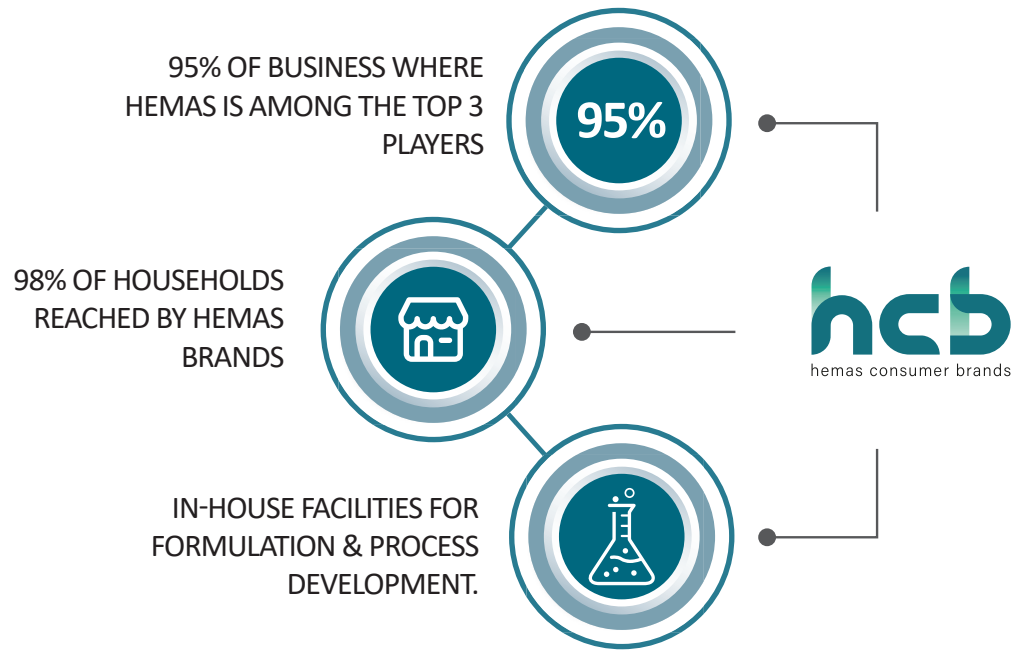

Diversified conglomerate, operating in industries ranging from hospitals to stationary to hair oil

Full spectrum inhouse product development, from R&D to scaled production.

Hemas International Business is a cross functional unit within the Hemas group that unifies Sri Lanka's largest personal care manufacturer and largest stationery producer. 100+ years of combined expertise between the two

**“ We are Sri Lanka’s largest local stationery and school supplies company, helping every child craft their way to success ”**

Our mission is to ‘Unleash the Potential of Future Generations.’ As the largest stationery producer in the country Atlas Axillia embodies this vision and purpose by delivering high-quality, user-friendly learning products consistently over the past 65+ years.

Our commitment goes beyond innovation in stationary items and into digital platforms that enable children to learn and make learning fun for all.

Having achieved our vision of becoming the number one stationery provider to the Sri Lankan market, it is now our mission to extend the Atlas brand promise internationally further cementing our position as a reputed international stationery manufacturer.

## LEADING THE LEARNING ECOSYSTEM IN SRI LANKA FOR OVER SIXTY YEARS

Atlas has been an integral part of the learning ecosystem in Sri Lanka for over 60 years as the country's largest manufacturer of learning tools for children. The brand is known for innovating with superior designs, functionality, and affordability.

As Sri Lanka's leading local stationery and school supplies company, we are dedicated to empowering every child to craft their journey to success!

We are the largest exercise book manufacturer that is ISO 9001:2015 certified in Sri Lanka.

All Atlas books are printed on environmentally friendly, recyclable paper.

## A LIMITLESS YOU.

---

Innovate is a specially crafted brand dedicated to fostering innovation and creativity among Sri Lankan youth. Through a range of unique and trendy notebooks inspired by fashion trends, Innovate empowers young minds to realize their potential, tackle real-world challenges and drive positive change!

Premium recyclable paper in a fashionistic design that is specially created for the youth segment. 70gsm paper across a range of spiral and non-spiral books. Our limited editions focus on style and functionality including a unique 3 subject divider book and notebook range.

## WRITE YOUR OWN STORY WITH INNOVATE BOOKS

We are the largest exercise book manufacturer that is ISO 9001:2015 certified in Sri Lanka.

All Atlas books are printed on environmentally friendly, recyclable paper.

# IGNITE

Spark your creativity!

## SPARK YOUR CREATIVITY

---

We believe creativity has the power to change the world we live in, where we seek to create Surgeons that can cure the incurable, architects and engineers who can change the future landscape, astronauts who can reach unknown galaxies and business leaders who can bring sustainable growth.

Crafted to spark curiosity to discover, Ignite offers a range of artistic essentials for craft and colouring. We champion and celebrate children's curiosity to discover through activity-based learning and encourage moms to nurture a child's potential!

## UNLEASH THE GENIUS IN YOUR CHILD!

We believe that every child holds a world of potential waiting to be unleashed. Our educational toys are designed to inspire curiosity, creativity, and a love for learning. With over 60 years of experience in crafting high-quality stationery products, Atlas is now dedicated to nurturing young minds through our exciting and innovative range of toys, Atlas PlayPalz

Our sub-brands BlockBuddies, MindBuddies and CraftBuddies are tailored to meet the diverse interests and developmental needs of children. Each product is thoughtfully created to provide an engaging, hands-on learning experience that fosters cognitive, emotional, and social growth.

BlockBuddies helps kids explore the endless possibilities of construction and design, enhancing their problem-solving skills and spatial awareness. MindBuddies offers a variety of challenging puzzles and games that promote critical thinking and logical reasoning. CraftBuddies encourages artistic expression and creativity, helping children to discover and develop their unique talents.
